Dear Alumni,

First, let me introduce myself as the new Alumni Contact Officer for Epsilon Eta. I am a freshman this year, and this is my first office. I hope that I can serve the alumni well as this is my responsibility. Secondly, I would like to thank the alumni who attended Founder's Day activities. The seven alumni in attendance were: Jim Hanvey, Gary Copp, Bill Shade and his wife, Steve Arendt and his wife, Raymond Lawson, Byron Lawson and Pat Martin. Bud Richey, a member of Eta Zeta and Alpha Chapter, was also present.

Finally, I hope everyone has received their directory. I hope it has been of service to you. If you have any corrections or suggestions, please write so we can make the changes.

Fraternally,

INTRAMURAL SPORTS

Sigma Nu was again active in intramural sports this winter and spring. The basketball team finished the year with a 4-2 record, second best in Beta League. The team was led by Wink Neal, Bengy Davis and Mike Turner, under the leadership of Coach Tom Sweatt.

Spring brought softball, starting off with the annual AGR Tournament. After getting off to a good start, winning the first two games, Sigma Nu was eliminated after losing the next two games. League play saw the Nus in the thick of the pennant race. After beating the AGR's for the first time in four years, it came down to the last game with Sigma Nu facing Kappa Sigma for the League title. Alas, after a grueling game, Sigma Nu came out on the short end of the score! Outstanding seasons were had by Chuck DeZearn and pitcher Sam Reid, under the skilled coaching of Bruce "Bear" Wiley.

The bowling team, made up of Chuck DeZearn, Jim Hess, and others, managed a third place in Beta League this winter.

The tennis team, with singles players Greg Cook, Jim Craig, Mark Loft, and the doubles team of Cook and Rick Dismukes, had a good season, showing third in the double elimination tournament.

The track team, although hurting for participants, had the best showing of the year, tying for first in the League and second overall in fraternities. Outstanding performances were turned in by Chuck Chambers and Bob McKibben, with two firsts each and hearty performances by Scott Crabtree and Jim Bowman.

REQUEST FOR RUSH RECOMMENDATIONS

This has been a good year for Epsilon Eta. We eagerly anticipate rush and hope to take thirty to forty *good* men. We have made plans for next year and indications are that it will be the best year yet for Epsilon Eta! If any of you are aware of any incoming freshman who you know would make a good Sigma Nu, please send his name to one of the Rush Chairmen.

Also, when you are in Knoxville, please feel free to drop by the House any time, as we would enjoy having you visit very much.

Thanks for your support in the past year and we hope you will continue your support in the future.
