

Minutes
AAUP Executive Committee Meeting
January 23, 2008

Present: Richard Strange, President; Norma Cook, Vice-President; Tom Hood, Treasurer; Laura Howes, Suzanne Kurth, and Loretta Price, Members at Large

The Meeting began with introductions as it was the first meeting of the new Officers. It was suggested that Mary McAlpine be asked to replace Amy Hess as Secretary for the current term.

Treasurer's Report - Tom reported that the Chapter has \$1066.44 in our account at the UT Federal Credit Union. He has recently been able to get a check from National, receiving from them the local dues that are due us from those who send checks directly to National for membership. It was agreed that it would be a good idea to ask those members who pay National and State dues through Payroll Deductions be asked for the \$6.00 local dues.

Concern was expressed about the out-of-date state of both the local and State AAUP websites. Richard agreed to make contact with Bob Glenn to get the password and update the officers on the local website. He will also be in touch with the State organization to update our information there and perhaps to volunteer to take care of the whole website.

Loretta will make sure that National has a list of our current officers and get a current membership list. (I think I might wait to check on the status of our officers until we see if Mary will be our replacement Secretary. Laura, please let me know what she says.)

Norma will get a key and update the AAUP bulletin board in the University Center.

A list of possible topics for an all-member meeting was discussed and will be posted to Vox-Prof to ascertain which topic draws the most interest.

Our next meeting will be held at 2:30 on Wednesday, February 20. Richard will inform us as to location.

Respectfully submitted,
Loretta Price, Acting Secretary
