

ADDRESS CHANGE NOTIFICATION

for J-1 Students and Scholars sponsored by
The University of Tennessee, Knoxville

U.S. law requires all J-1 Exchange Visitors to inform their program sponsors of their U.S. residential address within 30 days after arriving in the U.S. and within 10 days after any move to a different U.S. address. This address change must then be entered by your Program Sponsor into the SEVIS database. (Student and Exchange Visitor Information System). Failure to notify the Program Sponsor of a change in address will result in the termination of the Exchange Visitor's program.

Please use this form to inform the Center for International Education of any change in address. The form can be mailed or hand-delivered to the Center for International Education, 1620 Melrose Avenue, The University of Tennessee, Knoxville, TN 37996-3531.

The form can also be faxed to 865-974-2985 if it is not possible to deliver the form by mail or in person in time.

(Note: This form is for visitors sponsored by The University of Tennessee only. If UTK is not your J-1 program sponsor, you must notify your program sponsor of your new address. Your "program sponsor" is the organization which issued your DS-2019. Do not use this form)

We strongly urge you to keep a copy of this completed form for your records.
