

Dear

All of us are touched in a very personal way by cancer. Whether it's our loved ones or friends, each of us has suffered losses from this disease.

To help support the fight against cancer, I will be participating in the American Cancer Society's Relay For Life at the University of Tennessee on April 21 and 22, 2006. The event began in 1985, when Dr. Gordon Klatt ran and walked for 24 hours on a Tacoma, Washington track and raised \$27,000 for the American Cancer Society. Relay For Life is now the American Cancer Society's national signature activity. This is the fourth year the event will be held at the University of Tennessee and I need your help to make it a success!

Last year, we raised over \$104,000 for research, education and patient services. This year we are shooting for \$115,000. I invite you to help us meet this challenge through your sponsorship. Please make your check payable to the American Cancer Society and mail it to the address below by April 14, 2006. All funds raised go directly to cancer research, education and patient service programs.

Our team will start to walk at 7 p.m. on Friday, April 21, and we'll continue through the night until 7 a.m. Saturday. Our commitment is to have a team member on the track at all times for the duration of the event.

Please help make a difference in the fight against cancer. If you have any questions, please call me at _____.

Thank you for being a part of our team.

Yours truly,

PLEASE RETURN THIS PORTION WITH YOUR CONTRIBUTION
