

2007-2008 Faculty Salary Data Report

(prepared Sept. 11, 2008)

Using the UT October 2007 payroll and data from the Oklahoma State University Faculty Salary Survey by Discipline (<http://vpaf.okstate.edu/IRIM/FacultySalary.html>), each fall the Budget Committee requests that the UT Office of Institutional Research & Assessment produce an Excel file which shows the following data for every rank (Lecturer, Assistant, Associate, and Full Professor) in every unit in relation to our peer institutions.

The columns in the table refer to:

1. College
2. Department
3. Rank
4. 2007 UTK average salary
5. 2007 UTK average salary divided by 2006 UTK average salary
6. 2007 UTK median salary
7. 2007 UTK median salary divided by 2006 UTK median salary
8. 2007 UTK average salary in ratio to the thirty Southern University Group institutions
9. 2007 UTK average salary in ratio to the ten THEC Peer Institutions

Note that all data for SUG and THEC Institutions is from October 2007. For continuity we are comparing this data to October 2007 data from UT. In addition, we do not have median salary data for SUG and THEC institutions. This table does not include salary data for Library Faculty. Also, part-time faculty are not listed in this study. All salaries are calculated on a nine-month basis, include any longevity pay and administrative supplements, but do not include any extra service pay.

Since it began compiling an analysis of this salary data four years ago, the Budget Committee observed that the University of Tennessee needs a clearly articulated Faculty Salary Policy. While the disparity between salaries in different disciplines is an understandable consequence of market pressures, we think it might be unnecessary that some academic units fall much further below SUG or THEC averages than do other units and are following up with some units in order to better understand these differences. The practice of awarding salary pools to a given academic unit as a percentage of its base salary tends to perpetuate these differences. This report shows that the University needs to continue to address this.
