1. Approval of the Minutes of February 6, 2006. Approved by consensus.

2. Update on Implementation of the Department Head Evaluations.
Beauvais reported that the revised form was discussed at the February 20th
Executive Committee meeting, and that for sake of keeping the form brief, the
“importance” column was deleted. The Executive Committee supported the
possibility of web-based implementation, and suggested that we work with ITC.
Julie Little from ITC recommended Blackboard (Bb) for ease of implementation
and confidentiality, and said they could provide support. Les expressed concern
that faculty in his department would prefer a paper version. The Bb version
would allow for automatic calculation of the quantitative data, and quicker
compiling of the open-ended responses. It was agreed that departments who
wished to use the form would have both pdf and Bb versions available, but would
need to use one of these methods for the whole unit. Beauvais will work with
Julie Little to pursue these options.

Comments submitted from teaching Council members Norma Cook and
Christopher Craig were discussed and most were incorporated into the new draft.
The new draft will be presented to the Executive Committee on March 13th.

4. Discussion of Future Leadership of the Committee
Beauvais expressed concern that another member of the committee should serve
as chair next year. No particular individual expressed a willingness to do so.
Maummer and Basil expressed a willingness to serve on the committee next year.
George may do so if re-elected to the Faculty Senate.

6. Adjournment at 3:10pm

REMINDER: Due to conflicts, the April 3rd Faculty Affairs Meeting has been
cancelled.
