Letter from the Editor:

ALL SING

Dear Brothers:

When I took over the alumni program this quarter, I really didn't know where to start rebuilding. The SNAKESKIN hadn't been published in over a year, 1979 Homecoming had been a flop, and, quite frankly, alumni didn't know anything about the Chapter.

The SNAKESKIN is very important to the development of a strong alumni program, so presently we are trying to make The SNAKESKIN something interesting and a newsletter that deals directly with the alumni. As you can see, this quarter's SNAKESKIN is very brief, mainly because we have no alumni news to report. As we receive more news, our newsletter will become larger. We want alumni to know what's happening to their friends.

On May 17th Epsilon Eta will have its ANNUAL SNAKE DAY. Also, on that date is CARNICUS, in which we are participating with the Phi Mu's. This will be a chance for everyone to get together and meet some new members of the Chapter and to see old friends. In the next week or so, we will send out a more detailed letter about Carnicus and Snake Day.

Rebuilding our alumni program will be a very long process, and it will take the work of both the Chapter and Alumni, alike. If I can be of service to any alumnus, or if you have any suggestions concerning the alumni program, please feel free to call me any time.

Fraternally,

Larry Brinton, EH 1059
ALUMNI CONTACT

On February 23rd Sigma Nu entered All Sing in the Mini Division, with high hopes of bringing home the first place trophy. After two months of nightly work, our hopes became a reality, as Sigma Nu won first place in the Mini Division!

Our four-man group was composed of Tim Babcock, newly-elected Commander Ed Ingle, Phil Kelly, and Scott Stanford. The Chapter hopes that the All Sing victory will give us momentum going into Carnicus on May 17th with the Phi Mu's!

SNAKE DAY SET FOR MAY 17TH

On May 17th Epsilon Eta Chapter will have its ANNUAL SNAKE DAY activities. A full day of events are planned, starting with an open bar at the house at 11:00 A.M.

A luncheon will be held at 12:00 noon to be followed by a speaker at about 1:00 P.M.

At 8:30 P.M. that night, the Annual Carnicus skits begin, with Sigma Nu and Phi Mu vieing for the first place trophy. A more complete schedule of events will be sent out to all alumni and parents as soon as final plans are set.

It will be a great day to see old friends and to get together.

This newsletter is published by Epsilon Eta Chapter of Sigma Nu at the University of Tennessee for its alumni, parents, and friends. The goals are to strengthen Sigma Nu at Tennessee, to help keep alumni informed about their Chapter and in touch with one another, to encourage their attendance at Homecoming and reunions, and to secure rush recommendations.

This newsletter and all alumni activities and mailings are financed by voluntary annual dues of \$10, which each alumnus is asked to pay.

RUSHEES NEEDED

As you well know, rush is a year-round job. It is especially true this spring and summer, because the Chapter is losing a large number of Brothers. Therefore, we must rush exceptionally hard. We really need all the assistance we can get in order to achieve our goal. If you know of any sharp gentlemen that are on campus now, or will be on campus in the near future, we would appreciate your completing the form below advising us of these rush prospects.

If you know a prospective rushee, won't you take time and drop our Chapter the information?

..... Please detach and mail to
