**Purpose/Use of  
Requested  
Data:**

**I understand and agree to the following terms related to the use of the requested data:**

Travel model files prepared by/for the <MPO>, including the associated input and prescribed output files, were developed for use by <MPO> exclusively. <MPO> assumes no responsibility for the usage of the files, their state, or suitability for use, outside the agency MPO. The files are provided "as is" and in no event shall the <MPO> or its member agencies be held liable for any damages arising from their use. The accuracy, validity, or reliability of the files is not guaranteed in any way. The <MPO> and its member agencies disclaim all warranties, express or implied, including but not limited to liability for quality and fitness for a particular purpose arising out of the use of or inability to use the files. <MPO> welcomes verifiable modifications necessary to enhance the integrity of the files.

The requested data is released by <MPO> with the condition that it shall only be used for the specific project and purposes as stated in this form. REQUESTOR has read and agrees to all conditions outlined in the Tennessee Travel Demand Data and Model Release Policy.
