ADVISING COMMITTEE REPORT

The Advising Committee met October 10, 2006.

Reports and Announcements

- Chancellor's Honors Program and Honors Coordinating Task Force
- Tennessee Academic Advising Association (TennACADA)

Purpose:

The Tennessee Academic Advising Association was created as a forum for sharing ideas and exchanging information related to academic advising at The University of Tennessee, Knoxville. A primary goal is to provide its members with opportunities for professional development and peer support, ultimately building a network of resources to enhance student success. Equally important is the representation and promotion of the interests of academic advising within the larger university community.

Objectives:

1. To foster an environment that supports academic advising as a teaching/learning relationship between students and advisors,
 2. To promote collaboration across University advising programs, and
 3. To provide advisor development programs for those engaged in academic advising.
- Chancellor's Teaching Award and Chancellor's Advising Award
 - General Education update

GENERAL EDUCATION COMMITTEE REPORT

(All changes effective Fall 2007)

The committee approved adding the Communicating through Writing (WC) Designation to Anthropology 210.

Anthropology

210 Principles of Biological Anthropology (3)

Rationale for Approval: The course meets the criteria for the WC designation by incorporating formal and informal writing assignments totaling at least 5,000 words. In addition, writing in the course is distributed throughout the semester. The proposal was unanimously approved by the WC subcommittee and subsequently by the General Education committee.

Topic approved for Social Sciences and Communicating through Writing

University Honors

267 Special Topics in the Social Sciences (WC/SS)

- o Perspectives on Globalization

Other Business:

The next deadline for course proposals is February 2, 2007.

General Education Petition Update

- 1684 petitions since start in 2004 (48 currently under review, 9 duplicates)
- 1627 petitions have been completed (approximately 83% approved)
- Greatest number of petitions are from the Arts & Humanities area followed by Natural Sciences, Cultures & Civilizations, Quantitative Reasoning, Communicating through Writing, Social Sciences, and Communicating Orally
- Once the General Education requirement has been met, colleges do not need to send petitions for review

General Education Course Review Pilot Project

The committee reviewed course review forms for each of the General Education categories, a sampling plan for selecting courses for review, and a timeline for the course review process.
