COMMITTEE REPORTS

Academic Policy Committee – Laura Jolly
The Academic Policy Committee met on September 6. Election of the committee chair is in process. The meeting time will be changed to accommodate faculty schedules. The committee identified possible policy issues to be reviewed for future meetings.

Advising Committee – Ruth Darling
The committee met September 8. Major topics were:
(1) Displaced Students – Every effort has been made to obtain good schedules and the support they need. The Student Success Center will keep in contact with these students throughout the semester.
(2) Early Alert Program – This academic progress reporting program, co-sponsored by Minority Affairs and the Student Success Center, is fully operational this semester. The Web-based program is an effort to address students' academic concerns early and to ensure they are receiving the best possible advice from their instructors and their academic advisors. Students sign up for the program on-line at http://web.dii.utk.edu/earlyalerts.signup/ and faculty will be able to provide feedback to students' advisors via an on-line form.
(3) DARWin Implementation – The Web-based version of DARS is being implemented.
(4) New Advising Policy – The new advising policy goes into effect this fall. Any student who has earned fewer than 30 credit hours at UT or is on Academic Review must meet with an advisor each semester to be cleared for registration for the following semester. Transfer students who have earned fewer than 30 credit hours at UT or are on Academic Review must meet with an advisor each semester to be cleared for registration for the following semester. A student's required advising term is determined by the last digit of the student ID number—even number advised in Fall for Spring, odd number advised in Spring for Fall.

Appeals Committee – Ruth Darling (for Dulcie Peccolo)
(See report - page U947.)

Curriculum Committee – R.J. Hinde
Council approved the recommendations of the Curriculum Committee (pages U948-U959).
General Education Committee – Laura Jolly
Council approved Nursing 341 as a Communicating Orally (OC) course. In the future, a synopsis of why a course was approved for the specific General Education category will be included in the Council agenda. The Communicating Orally, Natural Science, and Cultures and Civilizations subcommittees have new chairs. (See page U960.)

STUDENT SUCCESS CENTER UPDATE – Ruth Darling
The center, a resource for students, parents, faculty, and staff, opened this summer and is located at 1817 Melrose. The mission of the center is to promote student learning and academic success through a comprehensive network of support and referral. Additionally, the center coordinates First Year Studies, Volunteer Community, National Student Exchange (NSE), University Advising Committee, and Academic Appeals. It also directs the African-American Achievers Scholarship and the African-American Incentive Grant. An overview of the center’s Web site (http://studentsuccess.tennessee.edu/index.htm) was presented.

UG COUNCIL GOALS (2005-2006) – Laura Jolly
Proposed goals for 2005-2006 were presented. The document will be distributed electronically for review by Council members so additional goals can be included for approval at the November 1 meeting of the Undergraduate Council.

ANNOUNCEMENTS AND OTHER BUSINESS
Monique Anderson, Associate Dean and University Registrar, gave an overview of UT GO, the university’s web-based grade entry and Title IV maintenance system, and reminded everyone that key dates for Spring 2006 are posted at http://registrar.tennessee.edu (click Index for Faculty and Staff).

The meeting was adjourned at 3:00 p.m.
