Writing - Unblocked

Writing is a requirement of the academic life. The more you write, the greater your likelihood of success as a scholar and advocate. This presentation will help remedy your major or minor case of Writer's Block.

Drs. Michelle Brown and Lo Presser of the University of Tennessee Sociology Department share tips based on their experiences as teachers and authors.

Wednesday, September 10 at 12:10 in 1210*

Coffee and other refreshments will be served
