Please answer the following questions and return this form to me no later than November 15. I'll do my best to find a suitable class time for everyone who is interested in attending. Should this prove impossible, I'll give preference to those who are taking the course for credit. On about November 20, I'll post the days and hours for this course on the mail room door. I will also send e-mail messages to everyone who indicated an interest in attending.
