In page 203, the equation in the last line should read \( \sigma_m = -\sigma_{\text{matrix}}^{\text{matrix}} + \Delta \varepsilon E_m \). In Page 204, the equation in the second line should read \( \sigma_f = -\sigma_{\text{fiber}}^{\text{fiber}} + \Delta \varepsilon E_f \). The left hand side of the equation in the seventh line should read \( \sigma_f / E_f - \sigma_m / E_m \). The right hand side of Eq. (1) should read \( \varepsilon_{\text{matrix}}^{\text{matrix}} - \varepsilon_{\text{fiber}}^{\text{fiber}} \). These sign typos do not affect our discussion and conclusions in this paper.
